

Sharon,

Here is the correction statement from the newspaper.

I still kick myself for forgetting to put it on the flyers,
especially after asking specifically about that. Thanks for
your help.

L-B school board attribution omission...

To the editor:

On Saturday, Aug. 13, 2011 a flyer with information about the Lawton-Bronson School Board election was distributed that did not contain the proper attribution statement as required by Iowa law.

The flyer was paid for by Molly Holtz, 506 E. Oak St., Lawton, IA 51030.

Thank you very much.
